Unified General Education Requirem

Student Experience Portfolio (1 required)

Students curate a collection of materials, including artifacts from each course in the sequence (including the "public-facing" written or multimodal presentation of the senior or capstone project); one or more reflective documents that provide space for synthesis of learning and self-assessment; and additional documents (related to the Explore curriculum) and/or students' own preferences (e.g., create a public professional portfolio).

Term Submitted and Accepted: _____

Skill: Quantitative Reasoning (1 required, ANTH 319 strongly recommended)

Students take one course of at least 3 credits using mathematical, statistical, computing and/or data analytic methods for understanding and addressing concerns that are important to their profession and to society in general.

Term	Course	Grade
------	--------	-------

Skill: Wellness (2 required, MUDE 101 & 102 satisfy this requirement)

Students must pass at least two semesters' worth of enrollments in Wellness courses through a combination of full semester and half semester courses, regardless of the credit hours attached to the courses. At least one semester's worth of enrollments must be in courses designated as including significant active participation in physical movement. Courses that satisfy the Wellness requirement engage students in the development and application of wellness related knowledge to promote a lifestyle that will improve the quality of life for themselves and their communities.
