Executive Committee

November 16, 2017

**RESOLUTION TO APPROVE THE MASTER OF SCIENCE IN REGENERATIVE MEDICINE AND ENTREPRENEURSHIP DEGREE PROGRAM**

WHEREAS, Article II, Section 1 of the Bylaws of the Board of Trustees (the "Bylaws") for Case Western Reserve University (the "University") states, in relevant part, that the Board of Trustees shall oversee the educational programs of the University; and

and the Constitution and Bylaws of the University Faculty states in relevant part that the Faculty Senate shall make recommendations to the President for consideration and transmittal to the Board of Trustees with respect to policies governing standards for curricula and content of all degree programs; and

WHEREAS, at its meeting on October 2, 2017, the Faculty Senate approved the proposed Master of Science in Regenerative Medicine and Entrepreneurship

NOW, THEREFORE, BE IT RESOLVED THAT: the Board of Trustees of the University authorizes the officers of the University to take and oversee all necessary actions in order to create the Master of Science in Regenerative Medicine and Entrepreneurship Degree Program

APPROVED by the EXECUTIVE COMMITTEE Case Western Reserve University BOARD OF TRUSTEES Elizabeth J. Keefer SECRETARY OF THE CORPORATION

## Memorandum

To: Pamela B. Davis, MD, PhD  
Dean, School of Medicine  
Case Western Reserve University

From: Phoebe Stewart, PhD  
Chair, Faculty Council

Re: Bioethics Degree Name Change

Date: October 11, 2017

At its September 18, 2017 meeting, the Faculty Council voted to recommend approval of the Bioethics Department's request for a degree name change from "MA in Bioethics" to "MA in Bioethics and Medical Humanities". Dr. Eileen Anderson-Fye, Director of the Bioethics MA Program and Associate Professor of Bioethics, presented the proposal to the Faculty Council.

The proposed degree name more accurately reflects the MA program's curricular offerings and

Department of Bioethics  
Case Western Reserve University  
School of Medicine  
10900 Euclid Avenue and compelling issues  
medical humanities and social medicine. As part of development

medical humanities and the University of North Carolina at Chapel Hill's inaugurated one in Medicine, Literature and Culture. That same year Johns Hopkins University announced a new undergraduate major in medicine, science and humanities, and this fall the Northeast Ohio Medical University offers its own new program, Master of Arts in Medical Ethics and Humanities.

Other programs include:

**Albert Einstein College of Medicine**

Einstein-Cardozo Masters of Science in Bioethics and Montefiore-Einstein Certificate in Bioethics and Medical Humanities

**Michigan State University**

Master of Arts in Bioethics, Humanities, and Society

**Northwestern University**

Master of Arts in Medical Humanities and Bioethics

**University of Louisville**

The Interdisciplinary Master of Arts in Bioethics and Medical Humanities

**University of South Florida**

Masters Program in Medical Humanities and Bioethics

In 2015, the University of South Florida (USF) announced a new Master of Arts in Medical Humanities and Bioethics program. The program is designed to provide students with a strong foundation in the humanities and bioethics, and to prepare them for careers in the medical field. The program is a joint effort between the College of Arts and Sciences and the College of Medicine. The program is a two-year program and is available to students who are currently enrolled in a graduate program at USF. The program is a highly interdisciplinary program and is designed to provide students with a strong foundation in the humanities and bioethics, and to prepare them for careers in the medical field. The program is a joint effort between the College of Arts and Sciences and the College of Medicine. The program is a two-year program and is available to students who are currently enrolled in a graduate program at USF.
