

MedPerform – Preferred Drug List (PDL)

October 1, 2024

What is the MedImpact Preferred Drug List (PDL)?

The PDL is a list of commDL Cardiovascular, Diabetes, etc.). For complete formulary information, visit your Plan website or number listed on your benefit card.

How do I get the greatest benefit from my PDL?

- x Print out the Preferred Drug List and take it with you when visiting your physician.
- x Ask your physician to prescribe generic medications whenever possible.
- x When there is more than one brand name drug available for your medical condition, ask your physician to prescribe a preferred drug listed on your PDL. This should also reduce your copays.
