BENELECT 202 CHANGE OF STATUS FORM

You have 30 days after your change of status to notify Benefits Administration and change your Benefect choices. As noted in your Benefect Guide, the benefit choices you make are in effect for one calendar year and cannot be changed during the year unless you have a qualifying change in family or j -year. Only changes that are on account of and correspond with the documented family status event can be made. Qualifying life event changes are marriage, divorce, birth or adoption of your child, and other changes in family status as defined by the IRS. Please see your benefits booklet for more information about health care coverage.
