

21st Annual Symposium Visual Sciences Research Center

Schedule

Friday June 14, 2019

Back to top

Dynamic light scattering optical coherence tomography for non-invasive assessment of the cornea

Irina Pikuleva

Christopher Sander

Protoreceptor transporter ABCA4 co-purified with native lipids

Protoreceptor transporter ABCA4 co-purified with native lipids

Visual Sciences Training Program – Moderator: Paul Moderator:

Yalitz A. Lopez Corcino

Pharmacological inhibition of epidermal growth factor receptor

Pharmacological inhibition of epidermal growth factor receptor

dependent

control of ocular toxoplasmosis

Adam Majot

Control of ocular toxoplasmosis

Retinal Biology – Moderator: Patricia Taylor

s s ã r r

Tanu Parma

‘•–†’ ... á Š f” • f ... ‘Ž ‘ %o >

Non hydrolysable analogs of retinal chromophore prevent light induced retinal degeneration

s s ã s w

Lana Pollock

‘•–†’ ... á ‘Ž ‡ } ‡ ••–<—– ‡

Retinoic acid signaling is necessary 002 Tc <0
