

average. Financial assistance is not offered for audited courses and those hours will not be considered in the Satisfactory Academic Progress review.

The School of Nursing (Financial Aid Director) will NOT automatically adjust a student's Satisfactory Academic Progress status when grades are changed, but the office will review upon request from the student. The grades must be available in the Student Information System before the review w

Failure to Meet Satisfactory Academic Progress

Students who fail to meet one or more requirements for Satisfactory Academic Progress

Appeal Process

A student may appeal placement on Financial Aid Suspension to the Associate Dean of Academic Affairs in the School of Nursing and request a semester of Financial Aid Probation. An appeal must be in writing and based upon extraordinary circumstances, such as personal injury or illness, death of a relative, or other reason that caused undue hardship and impacted the student's academic performance to a significant degree. The student must show an understanding of the specific Satisfactory Academic Progress components that were not met and must indicate what changes have occurred that will enable the student to meet the requirements for Satisfactory Academic Progress.

all Satisfactory Academic Progress standards. Students who meet the requirements of the Academic Plan during the Satisfactory Academic Progress review conducted at the conclusion of each term will retain eligibility for Federal and institutional financial assistance for the next term of enrollment. An Academic Plan may extend for a maximum of four (4) semesters.
