

LEAP Certificate Path, a

Looking to enroll in a Certified Registered Nurse Anesthesia (CRNA) program?

The Leadership Excellence and Achievement Program (LEAP) at Case Western Reserve University is designed to help students who have applied to a CRNA program previously, and have not been accepted, the LEAP Certificate Path is offered by Frances Paine Bolton School of Nursing in partnership with affiliated institutions will help to develop your leadership skills while strengthening your qualifications.

Program Overview

Throughout this one-year, 16-credit-hour certificate program, you will concentrate on core science requirements and the professional responsibilities of a CRNA. You should earn an 80% or higher in your LEAP courses. You will be matched with one of the participating doctoral level. Program directors will determine enrollment locations.

CAS

LEAP Certificate Pathway

Program Structure

The LEAP Certificate Pathway is offered remotely with lab simulations on campus as one of the affiliations during your normal semester.

Our curriculum focuses on three targeted areas to increase your aptitude and competitiveness as a CRNA candidate. These include:

- Science
- Scholarship and testing, and
- Professional socialization.

As a student, you'll also benefit from additional activities, including:

- One-on-one mentoring,
- Study groups, and
- Attendance at professional CRNA organization meetings.

Application Information

To apply to the LEAP Certificate Pathway, you will need to provide the following:

- Completed online application
- Written essay
- Recommendations from three recommenders (two know your clinical work, one being a nurse manager)
- Resume/CV
- Transcripts (minimum 2.7 GPA for both nursing and science courses)

Tuition for the three-semester program is budgeted. Scholarships and program sponsors are available.
