

## CALL FOR BOOK PROPOSALS EVIDENCE-BASED PRACTICES BOOK SERIES

Published in Collaboration with the Mandel School of Applied Social Sciences,  
Case Western Reserve University

Oxford University Press is requesting proposals for its new *Evidence-Based Practices Series*, edited by Professors David Biegel and Elizabeth Tracy. This series focuses on the synthesis of knowledge about evidence-based practices and service delivery initiatives whose effectiveness has been demonstrated by the strength of empirical evidence (i.e., extensiveness and quality of research)
