Re: Taking courses in an Intensive Weekend format

Some courses are offered to Full and Part Time students in the Intensive Weekend format. In this instance, these courses will be listed on the course schedule and do not require prior approval.

Required courses offered in Intensive Weekend are open to Intensive Weekend students only. Exceptions may occur due to extenuating circumstances with prior approval from the Assistant Dean of Student Services. Please email your request with the rationale to Andrea Porter at agp8@case.edu.
