To Whom It May Concern:

As the Department of Theater's Director of Undergraduate Theater Studies, I am requesting that students who study abroad at the Stage Management and Technical Theater program at The Lir Academy (at Trinity College, Dublin) should receive THTR 300-TR transfer credit for all courses taken through that program, using the standard conversion rate of 2 ECTS = 1 CWRU credit hour.

If you have any questions or concerns, please let me know.

Sincerely,
